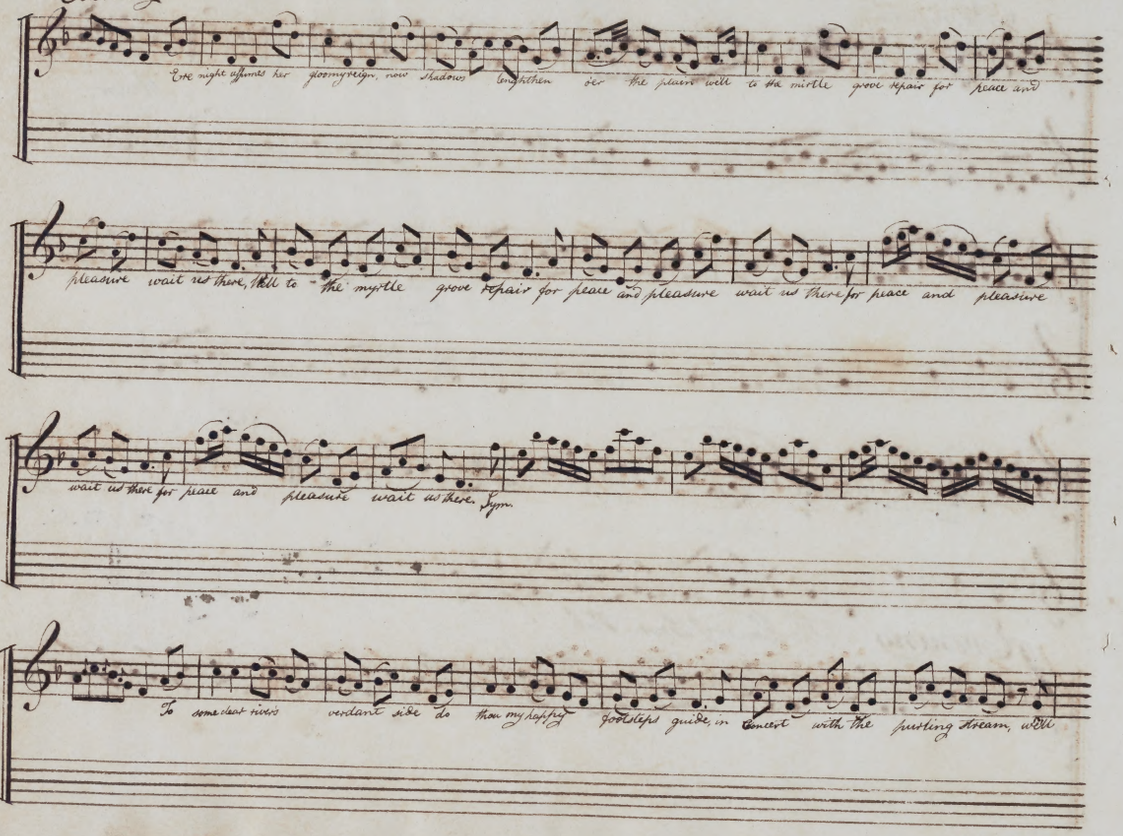
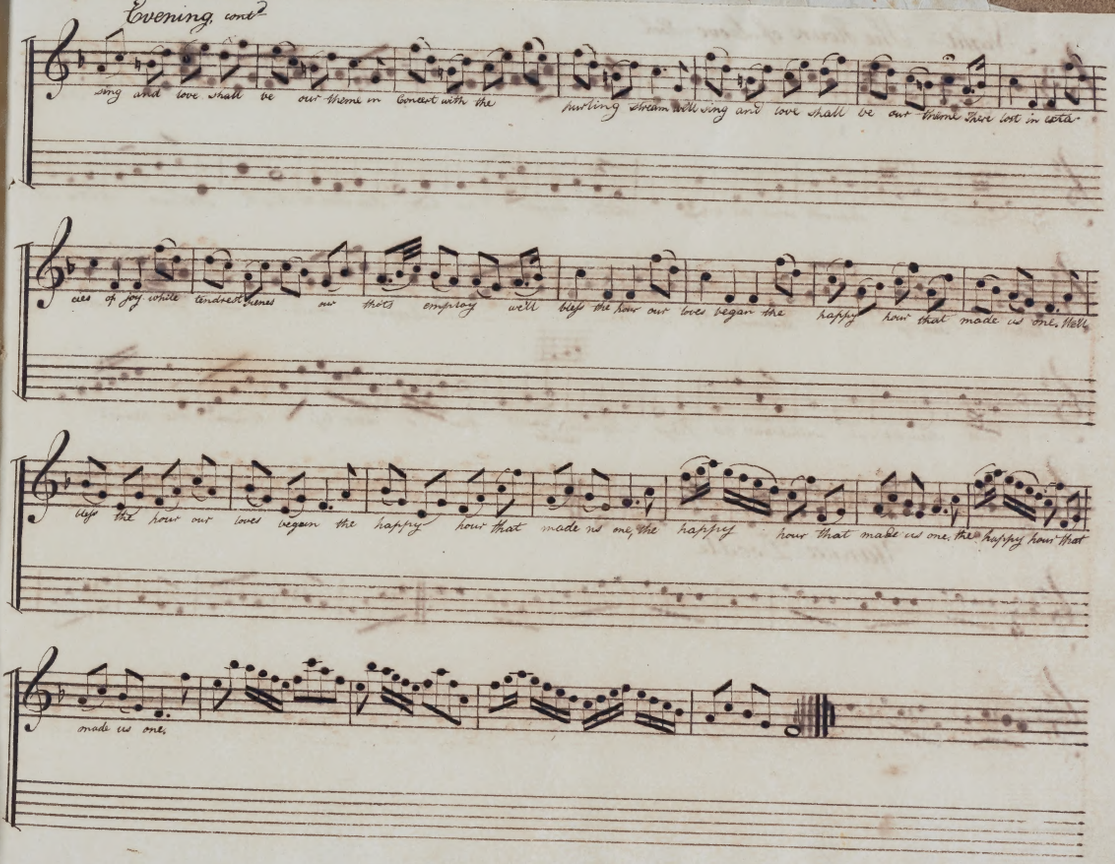
Evening cont.d

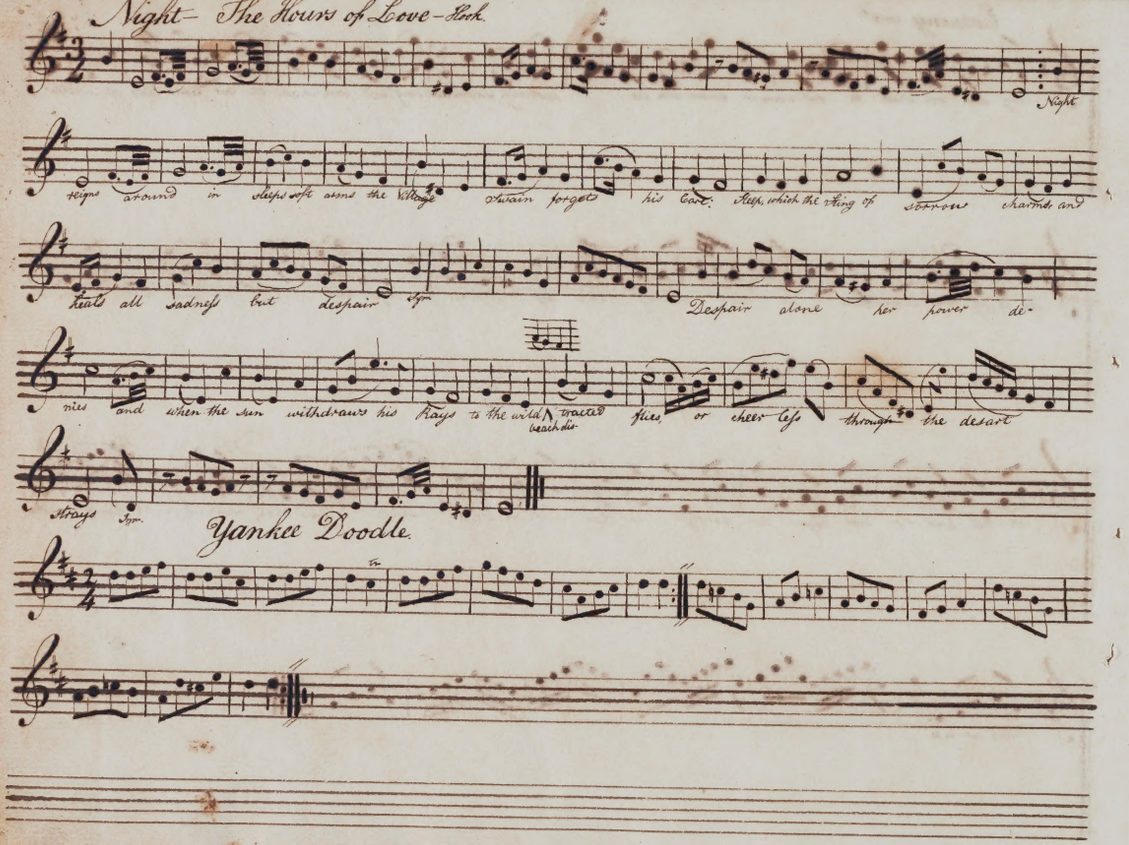


Ere night affords her gloomy reign, now shadows brighten o'er the plains will to the myrtle grove repair for peace and
pleasure wait us there, till to the myrtle grove repair for peace and pleasure wait us there for peace and pleasure
wait us there for peace and pleasure wait us there. Hymn.
To some clear rivers verdant side do thou my lasting footsteps guide, in Concert with the purling stream, will

Evening cont.d



sing and love shall be our theme in Concert with the purling stream will sing and love shall be our theme. Save lost in extasies of joy while tendrest times on thots employ will bless the hour our loves began the happy hour that made us one, Will
bless the hour our loves began the happy hour that made us one, the happy hour that made us one, the happy hour that
made us one.



Night- She Hours of Love-Book
Night
reigns around in Steps soft atms the Village Swain forgets his Care. Sleep, which the King of Sorrows charmds and
hails all sadness but Despair Syn
Despair alone her power de-
nies and when the Sun withdraws his Rays to the wild traced Beasts flies, or cheer Life through the desart
Strays Syn.
Yankee Doodle.
